SAVANNAH ENGINEERING ACADEMY

SAVANNAH ENGINEERING ACADEMY

STEM SUMMER ACADEMY

JUNE 7 - 11, 2027

Georgia Southern University: Armstrong Campus

SAVANNAH, GEORGIA

Learn about engineering, inform your decisions on a college major and strengthen your college application!

RISING JUNIOR AND SENIOR HIGH SCHOOL STUDENTS
interested in math, science, and engineering!

- Explore engineering through **hands-on activities** such as building LED flashlights, remotely operated underwater vehicles (ROVs), and a water filter.
- Go on **field trips** such as a riverboat tour of the Savannah River to learn about harbor deepening, river dredging, and local port activity.
- **Work with professional engineers** from major engineering disciplines including civil, electrical, computer, aerospace, mechanical, manufacturing, industrial, water resources, environmental, and ocean.

In order to participate in the week-long day camp, you must:

- ⊘ Be a rising junior or senior in high school
- ⊘ Provide a teacher recommendation
- ⊘ Have grades of 80% (3.0/4.0) or better in all math/ engineering/science/technology classes

Apply at **www.savannahengineeringacademy.org**

APPLICATION DEADLINE: APRIL 5

***FREE TO APPLY** • $75 Registration Fee (Once application is accepted)*

**Fee waivers are available for financial hardships upon request. All inquiries are confidential available.*
